Dear Dylan:

It is a pleasure to learn of your involvement with the Salvation Army. Your involvement with this organization will serve as an example to all children and adults to become involved in organizations that benefit others who are less fortunate. I would like to commend you for your work with the Salvation Army Angel Tree Program and the "Rock the Angels" concert. I would also like to challenge you to keep up your volunteer work and to encourage others to volunteer. Mississippi is proud of your efforts, and we are excited about your future endeavors.

Very truly yours,

RONNIE MUSGROVE
